Fable's 2017 Farm Fresh CSA

Community Supported Agriculture

Located at the corner of the Taconic and Route 134 in Ossining, Fable is a farm dedicated to sustainable agriculture. We believe that through dedication, hard work, and modern technological advancements in agriculture, we can provide the freshest produce all year round without the use of harmful chemicals and pesticides.

Our CSA (short for Community Supported Agriculture) is a program that creates a bond between the farmer and community.

How Our CSA Works

Members of our CSA will receive fresh hand-picked vegetables for 22 weeks starting the last week of May. With each harvest members will receive approximately 12 items with recipes to inspire their meals.

Pick-up is at Fable on Wednesdays and Sundays. The price is \$700 for a Full Share and \$395 for a Half Share. Full Egg Shares are available for \$145 and Half Egg Shares are available for \$75.

Let's Mix It Up!

Squash, Peas, Kale, Garlic, Tomatoes, Cucumbers, Bell Peppers, and more! We're having fun growing a wide variety of produce like our Green Zebra tomatoes which have been a hit at Farmers' Markets. In 2017 we plan on continuing to grow our artisan cherry tomato mix as well as a beautiful and delicious bounty of lettuces that is sure to make your salads stand out.

Members will also get exclusive access to new trial varieties, learn about seasonality, and help our farmers with taste tests to decide which varieties Fable will grow the following year.

How to Sign up

CSA 2017

Fill out the Member Agreement in our 2017 CSA Handbook. A copy can be found on our website at <http://fablefoods.com/farm-fresh-csa-2017> or you can request one by e-mailing info@fablefoods.com.
